· GOLF CLUB ·
MARBELLA

As a new initiative from our **Pro Shop** to serve all Members the kind of products and colours they would like to wear, we have made an arrangement with the renowned Scottish brand **Glenmuir**, with more than 20 years as the clothing supplier for the **European Ryder Cup Team**, which also is a guarantee for the highest standards of quality.

The concept is that we will offer a wide range of product styles and colours in different fabrics and materials, for both Men and Ladies. This means that Members can make their own **“personalized” order**, choosing from all possible colours in the models that have been selected. Some golfers like cotton shirts and some like technical shirts. Now all materials will be available in all colours.

In the attached **order forms** you will find 4 different kinds of shirts for Men and 5 for Ladies, which we have chosen to start with.

For Ladies we offer the following shirts:

1. **g.Sophie** - a 95% cotton and 5% elastane short sleeve shirt, for extra comfort.
2. **g.Mallow** - the sleeveless version in the same quality and material.
3. **g.Tess** - the long sleeve version in the same quality and material.
4. **g.Paloma** - a technical, super soft, quick dry, short sleeved pique.
5. **g.Michelle** - a high quality 100% mercerised cotton shirt.

For Men we offer the following shirts:

1. **g.Tarth** - a high quality mercerised cotton – one of the best on the market.
2. **g.Lowther** - a classic golf shirt with a pocket and a stiff collar.
3. **g.Deacon** - a technical and very comfortable, quick-dry pique shirt.
4. **g.Kinloch** - for those who prefer the classic cotton pique.

We also offer 3 different **sweaters and slippers** in three different materials - **100 % lambswool, 100 % lightweight merino wool and 100 % super soft cotton**, for both Men and Ladies. All are machine washable and do not pill. On top of that we also offer a **wind vest** model for both Men and Ladies in various colours.

**Ways to order:**

There are two ways to make an order:

1) by filling out the attached order form, which is a computer working document which you can save under a name in your computer and then return by e-mail to the Pro Shop.

2) or you can order by visiting the shop and trying out ideal sizes and selecting the preferred models and colours.

We have made up a special section in the shop, where we have a variety of models and colour samples, to feel and try on.

Glenmuir has been generous in providing Aloha Golf Club Members a free pair of socks with every garment purchased. This applies to all orders made during 2015.

Our idea is that these orders will be customised with the **Aloha Golf Club logo**. If you only wish to have a good quality garment, orders can also be made **without the club logo**.

We have chosen the styles which are currently the most popular, offering a range of colour options. However Glenmuir also offers a wide range of **other products** that can be added on to the order.

You can make your special order between the **10th of September and the 10th of October**, which would be delivered through the **Pro Shop** during the last week of October.

The **Glenmuir general brochure** will be available in the shop. Please see the below link to the online brochure, which makes it possible to look through from your home.
