

## Aloha Cares

### Aloha members are phenomenal

Aloha members and their friends have remained faithful to us over the past six years. Every month, every year, with donations, they help to improve the quality of life for people in need in La Campana. Although the provision of food and medicine is our key aim the donation of non-food items e.g. furniture and televisions that some of our members have made available when they no longer needed them is an

important contribution. Your donations motivate us to continue. THANK YOU!

In this edition we would like to highlight what happened since the end of December.

Two members dedicated their birthday celebration to collect money for Aloha Cares: **Lutz Haertel** and **Patrick Ryan**. Their remarkable contributions helped SARAH and ALOHA CARES.

### Aloha Ladies

- Collected toys for the kids; a magnificent number of beautifully wrapped Christmas presents.
- On their Angels Day, they raised money (525€) to donate to a nursing home in Malaga run by “Las Hermanitas de los Pobres” which will help them to continue their dedicated work towards elderly people who cannot afford a nursing home.

### Hermanitas de Los Pobres nursing home in Malaga

Our Men`s Captain, Warren Faulkner, surprised the nursing home by donating a big flat screen TV, dvd players, mats and a desk among other useful items that had to be delivered in two cars! The Hermanitas showed us around so we could see all the improvements they have been able to do since our last visit in July.

### Sarah

Our President Rafael Fontan initiated a campaign to collect money for Sarah. The whole ALOHA FAMILY including our employees contributed to the amount of € 11.110 which was presented to Sarah`s father.

**OTHER GOOD NEWS:** The club agreed to put Aloha Cares on the website. We have a dedicated email address: alohacares@clubdegolfaloha.com.

## *June Rendle*

Mrs. June Rendle has resigned as a member, having been an important part of our Club since 1979. During her membership June was a Founder Member of the Ladies Section, taking her turn to be the weekly 'captain'. With Shirley Handford she inaugurated The League for the ladies of all the Clubs on the Coast which had sufficient lady members (in 1982) to form a team –for which 8 ladies were required! She played regularly as a member of the Aloha team for many years.

With Colin Sheppard as President she was in charge of 'Social and Entertainment'. The highlight in 1993 arranging events for the visit of the Walker Cup team and officials, and in 1997 hosting special 'Ryder Cup' events. This position she also held from 2010-2015, introducing regular social evenings including Supper

Theatre, Opera, Quiz nights, and Tribute Shows for the members, culminating with assisting with organising the celebrations of the Aloha Fortieth anniversary.

She assures us that she will always maintain a lively interest in our Club, and we would like to extend a big 'thank you' for all her hard work and input to this Club, and send our very best wishes for her in the years to come.
