Aloha Cares

We received two paintings as a donation from Addie d'Agostino and we were allowed to "sell" them through an auction during the lunch of the Mixed Scramble in May. Don Fisher, as our fantastic auctioneer, managed to find two persons paying 400€ and 450€ for the paintings. That is a superb result and we were more than pleased. A very nice lady-member made up the round number of 1.000€. THANK YOU SO MUCH!

Do you remember? These were our chairs and tables from the clubhouse. Cristina and Joachim von Kyaw took the trouble and the pleasure to deliver them to LAS HERMANITAS DE LOS POBRES in Málaga with the help of the car rental company GEMINIS. Only happy faces...
