

# COMMUNICATION COMMITTEE

*Your help is now more important than ever!*

We would like to take this opportunity to inform you of our work during the hard period of the lockdown! Thanks to us, to **Bancosol** and the **Hotel Villa Padierna** “our families with children in need” from La Campana were always supported with food and medicine. Things have eased a little, but they still need our help.

Our monthly supply continued throughout the lockdown and now **Cash & Carry**, where we do our shopping, gave us an extra of 800 Euros to spend on food.

Our Vice-Captain **Kaisa Hayrynen & Markku Willstrom** sponsored a piano for the Music Class at the School in La Campana - the director from the School, Mrs. Fatima Izquierdo, thought it was a joke until we arrived with our helpers and delivered it!! The Music Class is on the second floor, but each step was worth it!

Another two families could enjoy the generosity of Kaisa and Markku with an almost brand-new sofa & a sofa table.

**Sylvia Bolle** - always “dynamite” in raising funds for ALOHA CARES with her Postcards, Jams & Oil - put herself into work producing masks, **which you can buy for 6 Euros at reception.** All the money from the selling (until now 335 Euros) she has donated to our charity.

Our ladies Captain, **Jackie**, gave us numerous bags with clothes, which we already distributed among “our” families.

**Mark Zaremba**, gave us a football table for the kids to play. He went with Joachim and delivered it

personally to the small playground behind the Church from La Campana.

We are very happy to see that more and more of our ALOHA members are aware of our “Families with Children in need”.

*A big thank you for all your support!*

We would like to mention our new **EXCLUSIVE TELPHONE-GUIDE 2020.**

You will find it in the ladies & men’s locker rooms as well as at the reception desk.

In this Guide you will find all details of over 120 selected companies, restaurants and doctors that you might find useful. All 120 have donated, helping us to continue, even expand, our support even during the confinement.

**ALOHA CARES TOURNAMENT** is scheduled for 7th of November. In these difficult times we cannot give you more details at the moment. We will make sure that you will be informed about the tournament closer to this date.

We are looking forward to seeing you all in good health latest on 7th of November.

TAKE CARE!
