

COMMUNICATION COMMITTEE

ALOHA CARES

We would like to thank again all the members that contributed this year for a very Special Christmas for the children in La Campana! Due to the Covid the majority of them could not come to the Church Yard, but the ones that could come... just look at their faces!!

ALOHA CARES

Special thanks to:

Olav & Claudia Maaland for organizing an “Extra Christmas” competition and raffle where all funds (in total 685€) were given to ALOHA CARES.

Nancy from reception gave us winter jackets & coats and winter shoes & boots that were very useful to our families.

Jacky Macintyre gave a bunkbed and arranged delivery to a family with 3 children! They slept in it the very same day they received it!!

To all the “Birdie Ladies” that decided to contribute with their Birdie-Wins towards ALOHA CARES.

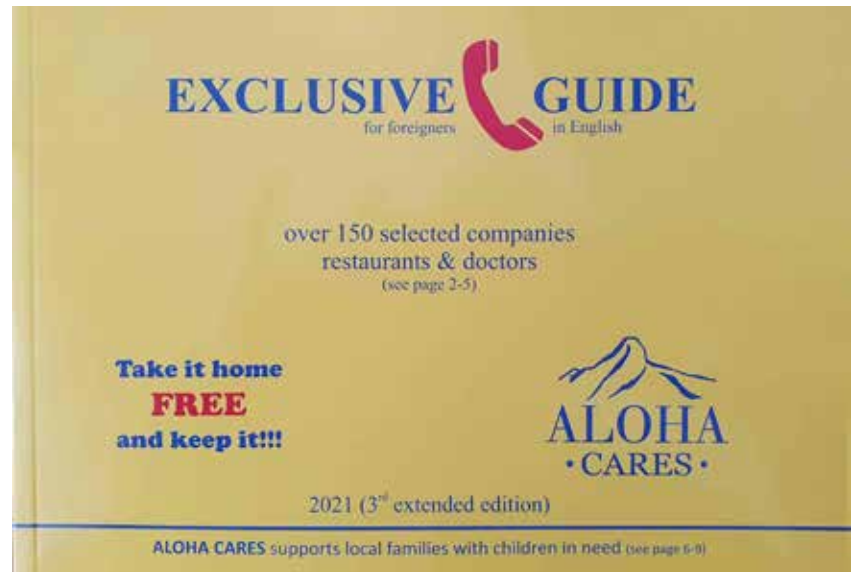

To Stephan and Franco from Catering Muy Bueno who donated 50kg of chicken to distribute among the families in need!

ALOHA CARES

To Jan & Franziska from BIKE BASE S.L. in San Pedro, who donated 5 bicycles together with 5 new bicycle helmets that we gave as Christmas gift to 5 lucky children!!

The New ALOHA CARES Guide 2021 has arrived! Again Joachim von Kyaw visited all these companies, doctors and restaurants that are supporting Aloha Cares with their donation!

Should you need any services (see index pag. 2-3) we kindly ask you to use these selected companies - all details are on their advert!

Let us continue to help these children in this hard times!
