ALOHA CARES

"Thank you again for your great organization!

Congratulations for putting on a lovely day, I hope that it raised a good amount. Your hard work is greatly appreciated.... THANKS!

Thanks for yesterday! Bravo, bravo, bravo! What an event. So well organised, we were lucky to be able to participate!

Thank you for the great tournament, for the organization and all the work! Did it great; hopefully it will work out next year too!

"Where is the list to inscribe for next year?"

ALOHA CARES

Dear Members,

These are just a few comments from participants in our second ALOHA-CARES tournament. We had excellent sponsors and many prizes ensured a good sporting spirit: 160 participants, not a single cancellation, despite the not-so-nice weather and a good and positive atmosphere. At the end of the day, the sun could still be seen, which made the event really bright.

Aloha Golf Club has forwarded all the proceeds from this tournament to us - an impressive sum of €7,000: A big thank you for this unreserved support. Since we could not generate any further income from the gala dinner this year, the donation box was ready at the end of the round: we raised another €1,850, for which we would like to say thank you on behalf of the people who benefit!

Almost all prizes have already been picked up, so that the preparation for the next tournament begins from now on. Let's hope that the pandemic doesn't put any more obstacles in our way and that we can plan an event again that can build on the way the first tournament was played.

We thank you for your loyalty, for your heart for people in need and hope to continue to have you at our side.

Our tournament was a great success, but we can also report that the daily generosity of our members never stops.

Since the last newsletter, the following people have donated clothing: Yara Starek and her friends, Hanne Flou Jenssen, Anika Hoffmann, Anna Westwood and Claudia Mejia.

We were also allowed to receive 2 flat screen TVs and smaller and larger furniture from Christel Larsen, Jacqueline Macintyre and Annika Hoffmann.

Not to forget: From the last Scramble on 17th of February we received € 500 and the Ladies winning Birdie-money have given it to our charity.

Our big teddy bear -the mascot of Aloha Cares- says a big thank you on behalf of all people who benefit from your support!

By the way: We are looking for a name for him..... any ideas? Please send them to: alohacares@clubdegolfaloha.com
