

# ALOHA CARES

Aloha Cares has become an important help at the Church in La Campana. Since the pandemic started Cristina helps Caritas to distribute the food parcels to the families with children we support every Monday.

Thanks to the funds raised with our “Yellow” Exclusive Telephone Guide, AC-Tournament and our dear members helping us with regular transfers and cash payments we have been able to continue this important task!

Remember Jessie? In 2016 she became with her group Champions of Spain.

We sponsored her for a certain time so she was able to continue doing what she so much fought for! Sometimes she still gets a little help for the competition dress, as every year they have to wear a new one and the family cannot afford it.

This year, her group has become 3rd in Andalucia and therefore are automatically qualified for the Spanish-Championship, which will take place later this year! We keep our fingers crossed!!!

## Thank you

To Maura Tierney, Anita Jodts, Claudia Mejia, Maggie Jackson and Tanja Kreutzer for giving us clothes and other household items (chairs, cots, bicycles) for our families!

To all birdie-ladies that have donated their winnings!!

To Salva, who always helps us putting the bicycles ready to ride!!

We have closed a special agreement with GM-Cash (Food Wholesaler in San Pedro) which will enable members and staff of Aloha to shop there. Cristina will give you further details and supply.
