

# COMMUNICATION COMMITTEE

The Marketing and Communications committee would like to inform the Membership that Joining fees for the year have exceeded 1m euros for the first time ever. Great credit due to Mari Carmen and Bob Davinson for their efforts. However there is now even more pressure on golf time slots at certain times of the year. We have had to be quite ruthless in getting rid of as many non-member slots as possible during these times. Correspondencia, birthday parties, inter clubs etc etc have all been pared back so that times are available for you, the member.

2021 is over and we would like to take this opportunity to inform you about the latest activities.

Cristina has been working intensively with the individual families and their livelihoods this year. She is personally on site every Monday to be in contact with the families, also to see if special investments are needed. For example, one family with 3 children was equipped with a new washing machine, because it simply could not do without one. The overview helps us to act when needed where needed!

Joachim has tirelessly contacted local businesses for support; there will be a new edition of the telephone guide in early 2022 and we ask you all, whenever you need a supplier, to reach out to the businesses that are also helping us with donations; this motivates the willingness to donate.

All news related to ALOHA CARES will appear on the Aloha Golf Club website. You can read what happened when at any time. If you need any further information, please let us know and we will be happy to help. (alohacares@clubdegolfaloha.com)

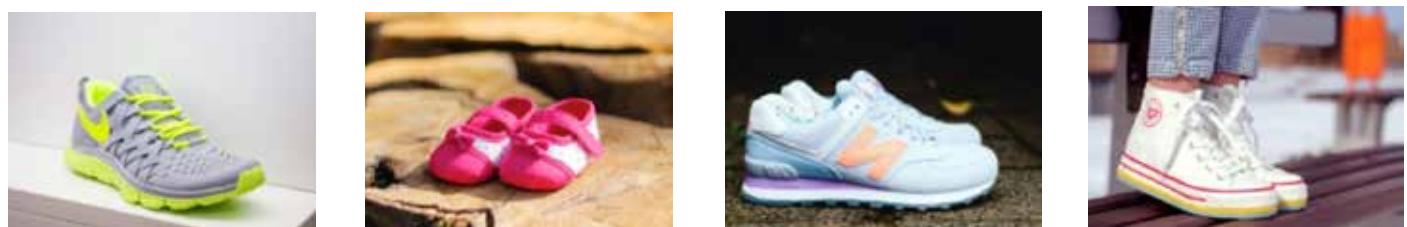

## 9th November – Aloha Ladies Section at its best

It was a wonderful day! We were able to play a golf tournament in the best conditions followed by a prize giving on the terrace. No wind, pleasant temperatures, great results and not to forget: generous ladies. We were able to collect 720 €; 300 of which were generated by the sale of slippers. ☺

This shows once again that there is a special spirit in Aloha assuring support to those in need. There was a sponsor for the drinks and the small tapas, so 100% of the donations will go to people in need.

## Ladies Christmas Tournament - 7th December 2021

The generosity of our members was again manifested: €522 including the Birdie-money from Ellen, Kaisa and Patricia. Once again you gave the children in La Campana hope! Sylvia created beautiful Christmas cards. All income goes to Aloha Cares.

This year the families with children will receive a voucher from the company Deichmann (La Cañada) for new sports shoes/sneakers for each child. The voucher has the advantage that the children can try on the shoes and also choose them.

**A big thank you goes to everyone who was and  
is supporting us on our journey.**

*We wish you and your families only the best for the New Year.  
We would like to see you all again on **23 April 2022** at the latest  
for our tournament. Please stay healthy and take good care of  
yourselves!*
