

# COMMUNICATION COMMITTEE

Dear members, dear friends,

At the end of 2021 there was a remarkable event that we would like to tell you about. Sophie Ergo -one of our younger members and a student at Aloha College- had a wonderful idea: she asked all students at Aloha College to donate non-perishable food for the families we support. This had a great response, so much so, that it took several trips to take all the donations to the church at La Campana. The teachers and students at Aloha College worked together to collect the gifts and the Aloha Golf Club team ensured a smooth delivery to the Church. Sincere THANKS to all involved and especially to Sophie, whose initiative at Christmas brought great joy to those who are not so privileged.

13 DECEMBER 2021

MERRY CHRISTMAS!

**Christmas Jumper Day, Friday 17 December**

Dear Parents,

My name is Sophie Ergo and I'm a Year 12 student. I am writing to inform you about our **Christmas Jumper Day on 17 December**, which is being organised as part of my Cobis Global Social Leaders event.

Earlier this year, I participated in a leadership training course focusing on driving social change to help combat global issues. The training includes 30 days to complete a challenge of our choice which helps a local issue. For my project I chose to tackle food poverty. I have been in contact with the charity Aloha Cares which works with the local community around Aloha. They provide basic necessities to families with children.

**On 17 December** all students and staff are invited to wear non-uniform with a **Christmas theme jumper**. On this day we ask them to bring any non-perishable food or items they would like to donate. Suggested donations could be: honey, nutella, pasta, rice, canned fruits/vegetables, breakfast cereals, baby food, or sweets.

The charity has asked not to bring fresh food, lentils, baby milk powders, or nappies.

The donations will be collected in the morning at the school's entrance gates by my team of Year 12 students and Aloha Cares volunteers.

I would like to thank you in advance for supporting my leadership challenge and for your generosity towards our local community.

Sophie Ergo  
 Year 12

# FOOD DONATION

17 DECEMBER

## CHRISTMAS JUMPER WITH NON-UNIFORM

Donations will be picked up at the school entrance gates (All three entrances) in the morning of the 17<sup>th</sup>

## TOURNAMENT

Hooray! We get to organise another tournament and hopefully this time with less covid restrictions. Please save 23 April 2022 in your diary as an important date! It will again be a mixed scramble. Your guests are most welcome. The generosity of Aloha Golf Club will provide us with an important source of income, as all proceeds from the day (green fee, entry fee, buggy-hire) will be forwarded to Aloha Cares. We can justifiably say that Aloha is one of the few, if not the only golf club that has set up its own charity for families in need with the support of the members and the club. Through your participation, everyone becomes part of this wonderful institution.

More details coming soon, we are looking forward to a wonderful day, hopefully with the best weather.

Stay well everyone!

Kind regards

Cristina & Joachim von Kyaw
