FUNDACIÓN / FOUNDATION

We are officially a foundation!

Aloha Club de Golf is the first and only golf club on the coast with its own Charity Foundation. We continue helping families in need in our neighbourhood – Nueva Andalucía –, focussing on providing children with fresh food, school materials, extra classes, medicine, and medical support (optician and dentist) when not covered by the social security. Read more about us on the Aloha Club de Golf website.

Our tournament on 13 April 2024 was a complete success despite all the adverse circumstances: we were able to raise around €20,000 that will help us to continue for the next few months.

A big thank you to all participants and donors, especially the Golf Club, which provided us with all the proceeds. We would also like to give our special thank you to Fermín/Restaurant, Pro Shop, Health Club and all the staff at the club.

To spend another nice and relaxing day together in 2025 we are already announcing our Tournament Date

5 April 2025.
